

## Port Authority® Splash Bag with Strap BG752

Ideal for keeping gear dry in wet conditions, this lightweight bag has a roll-top closure and is fully seam-sealed.

- 250 denier polyester tarpaulin with waterproof coating on both sides
- Detachable, adjustable shoulder sling strap
- Not intended to be submersible due to roll-top closure
- Roll top tightly 4 times and clip closed for best water-resistant performance
- Not recommended for electronics without double-bagging inside waterproof pouches
- Dimensions: 20”h x 12”w, Approx. 1,080 cubic inches; 9”w x 6”d oval-shaped bottom resists rolling
- To maintain optimal water resistance, special care must be taken when decorating. Low-heat or non-heat decoration suggested and test prior to decorating. Embroidery not recommended.

Note: Bags not intended for use by children 12 and under. Includes a California Prop 65 and social responsibility [hangtag](#).

### Care Instructions

Roll four times and clip closed. Bag electronics in a separate water-proof bag. Bag is not submersible..
